

## **AMG ADVANCED METALLURGICAL GROUP N.V. ANNOUNCES LONG-TERM SPENT CATALYST RECYCLING AGREEMENT**

***Amsterdam, 29 June 2016 (Regulated Information)*** --- AMG Advanced Metallurgical Group N.V. ("AMG", Euronext Amsterdam: "AMG") is pleased to announce that AMG Vanadium has signed a new long-term, multi-year agreement to process and recycle spent catalysts from a major oil refinery operator in North America.

"This is an important new business partner for AMG Vanadium and a key element of our long-term raw material strategic plan", said Mr. Hoy Frakes, President of AMG Vanadium. "We are pleased to have the opportunity to provide our new partner with the industry leading environmental solution for their spent catalyst recycling needs."

Located in Cambridge, Ohio, AMG Vanadium specializes in the environmentally beneficial conversion of oil refinery and power plant waste products into specialty metals used by global steel producers in automotive, energy transmission and infrastructure applications. By using materials that would otherwise be discarded as waste, AMG Vanadium encourages environmental stewardship, energy conservation and resource recovery.

AMG Vanadium is the largest domestic producer of ferrovanadium in North America.

### **About AMG**

AMG is a global critical materials company at the forefront of CO<sub>2</sub> reduction trends. AMG produces highly engineered specialty metals and mineral products and provides related vacuum furnace systems and services to the transportation, infrastructure, energy, and specialty metals & chemicals end markets.

AMG produces aluminum master alloys and powders, titanium alloys and coatings, ferrovanadium, natural graphite, chromium metal, antimony, tantalum, niobium and silicon metal. AMG Engineering designs and produces vacuum furnace equipment and systems used to produce and upgrade specialty metals and alloys for the transportation, automotive, infrastructure, and energy markets.

With approximately 3,000 employees, AMG operates globally with production facilities in Germany, the United Kingdom, France, Czech Republic, United States, China, Mexico, Brazil and Sri Lanka, and has sales and customer service offices in Russia and Japan ([www.amg-nv.com](http://www.amg-nv.com)).
