

Press release

5 September 2007 – 13.01

Peab to build for SKF

Peab has been contracted to build a hardening plant for SKF in Gothenburg. The project is a cooperation contract, which means that SKF and Peab together will develop the final plant. The contract will be signed during September 2007 and the contract amounts to SEK 100 million.

The new hardening plant is estimated to be ready in the end of 2008.
