

IXONOS STARTS CO-OPERATIONAL NEGOTIATIONS WITH ITS PERSONNEL IN FINLAND

The negotiations concern the whole personnel in Finland, excluding Kemi and Oulu offices.

The goal of the co-operational negotiations is to adjust the personnel costs primarily through temporary measures in order to align them with the market demand. An additional goal is to enhance the efficiency of the company's operation.

It is estimated that the negotiations will result in temporary lay-offs for a maximum of 90 days for part of the personnel and in job terminations for a maximum of 9 persons.
