Capital increase in RTX in continuation of an employee warrants program of 59,500 shares (0.63% of issued shares)

Following RTX's announcement number 66/2015 dated 25 November 2015 RTX A/S issued warrants authorizing the recipients to subscribe 500,500 shares at nominal DKK 5 per share in the Company. The warrants may be utilized in each of the 4 weeks' periods after the Company's announcements of interim and annual reports in the period 31 January 2016 to 31 December 2018.

6 employees have now utilized warrants equivalent to 59,500 shares. Therefore, RTX A/S has decided to increase the Company's share capital.

The capital increase is issued without any pre-emptive rights for the company's existing shareholders or others. 59,500 shares are issued in cash at DKK 11.41 per share at nominal DKK 5. The proceeds to the company, except for the nominal payment, amounts to DKK 381,395. The capital increase equivalents approx. 0.63% of the Company's share capital. The newly issued shares are ordinary shares without pre-emptive rights and they are freely negotiable instruments. The new shares give full right to dividends and other rights in the company from the date of issue, for instance dividends for the financial year 2015/2016.

The new shares will be listed at NASDAQ Copenhagen A/S after registration by the Danish Business Authority. The Company's present share capital is DKK 46,866,690 and after the capital increase it is DKK 47,164,190. The capital increase results in a change in the Articles of Association, which will be published at the Company's website.

The capital increase is made in accordance with the authorization given at the General Assembly 28 January 2011 and 7 March 2011. The authorization is hereby partially exploited. The capital increase will be effected as soon as possible.
