Millicom to host event with Oxford Economics on the long-term macro-economic forecasts for Latin America

STOCKHOLM, SWEDEN 31 August 2016 – Millicom, the emerging market telecommunications and media company operating under the brand name Tigo, will host a conference call with Oxford Economics, a leader in macro-economic forecasting, which has recently completed an in-depth study into the macro-economic fundamentals of the Latin American markets in which Millicom operates.

Oxford Economics data show

- GDP growth in our markets, ahead of forecasts for the wider region
- Attractive household incomes and the expanding middle class
- Strategic opportunities to realise continued growth within Millicom's footprint

Millicom will host the conference call for the global financial community on Friday 16th September at 9:00 AM (Sweden)/ 8:00 AM (London) and it will be webcast at www.millicom.com.
