IT – INET Nordic – Auction On Demand – Updates to time schedule (48/16)

As previously communicated (45/16 and 29/16) Nasdaq Nordic is planning to introduce a new optional Periodic auction trading model called "Auction On Demand" (AOD) for all shares traded on Nasdaq Stockholm, Nasdaq Copenhagen, Nasdaq Helsinki and Nasdaq Iceland.

Based on results from the consultation process with trading members Nasdaq Nordic has decided to further enhance the trading model. Therefore testing and production launch has been moved forward in time.

Details on the enhancements, updates to protocol changes, and new date for testing and planned production launch will be communicated during Q4, 2016 (subject to regulatory consent).

Latest information about upcoming enhancements is available at <u>Nasdaq Technical</u> <u>Information</u> website under <u>INET Nordic Enhancements</u>.
