

Munters signs global frame agreement with Siemens Power Generation

Munters has signed a global three year revolving contract with Siemens Power Generation division for the supply of dehumidifiers for gas and steam turbines.

“The prognosis is set to delivery of 60 -70 units every year, and since the agreement was signed we have already received call-off s for 21 units, which is well over plan”, says Dietmar Müller, VP Sales & Marketing, Munters Dehumidification Industrial.

“Siemens also specifically asked to review Munters CSR policy and ISO 14000 certificate and found that Munters complied with their strict demands within this domain”, Dietmar Müller finalizes.

The order value is forecasted not to be less than 10 MSEK.
