# New appointments at Ratos

Clara Bolinder-Lundberg has today been appointed as the new head of corporate communications at Ratos. Clara Bolinder-Lundberg, who has been employed at Ratos since 2001, was most recently head of investor relations. She will succeed Anna-Karin Celsing.

Ratos CEO Arne Karlsson: "During her over six years with Ratos, Clara's consistent, market-oriented work has contributed to our high ranking as regards the provision of information by a listed company. Clara will now have overall responsibility for corporate communications and investor relations within Ratos which will guarantee the continued high quality of our dialogue with our business environment."

"At the same time, I would like to thank Anna-Karin for her invaluable work for Ratos – I believe there are few cases where strategic information work has been so significant in changing perceptions of a company as was the case for Ratos in 1999-2002."

Emma Rheborg has been recruited as Ratos' new Investor Relations Manager. Emma is a business school graduate and joins Ratos from JKL, where she has worked since 2001 as a financial communications consultant. She will begin her position at Ratos on 13 August 2007.

"Emma has a broad and solid base of expertise in investor relations, and we are happy to have her on board at Ratos," comments Ratos' CEO, Arne Karlsson.
