## The Nordic Exchange welcomes West Siberian Resources to the main market

**Today, West Siberian Resources has been listed on the Stockholm Stock Exchange. West Siberian Resources moves up from First North to the Nordic Exchange's main market.**

West Siberian Resources Ltd is an independent oil company operating assets in Russia. The business concept is to produce oil, develop oil fields, and conduct oil exploration. The company operates in three of Russia's most oil-rich regions: Tomsk in Western Siberia, Timano-Pechora and Volga-Urals. West Siberian Resources has more than 1,000 employees.

"It is very gratifying that West Siberian Resources now takes the step from First North to our main market. Through the listing of West Siberian Resources the investors get a new Nordic Mid Cap company in the Energy sector on the main market," says Jenny Rosberg, President of Company Services at OMX.
