About Thrane & Thrane

Thrane & Thrane is the world's leading manufacturer of terminals and land earth stations for global mobile satellite and radio communication. Since its incorporation in 1981, the company has established a strong position within global mobile satellite services based on the Inmarsat system, and today it provides equipment for land-based, maritime and aeronautical use. The company's communication products are sold throughout the world under the brands Thrane & Thrane, EXPLORER and SAILOR through distributors and partners and as OEM products. The company is listed on the Copenhagen Stock Exchange. More information about Thrane & Thrane can be found at: www.thrane.com.
