About LifeCycle Pharma A/S:

LifeCycle Pharma, headquartered in Hørsholm, Denmark, is an emerging pharmaceutical company with a broad and late stage product pipeline in therapeutic areas of cholesterol management, hypertension, organ transplant and autoimmune diseases. LifeCycle Pharma's product candidates are proprietary and designed to improve the quality of existing drugs by enhancing the release and absorption of drugs in the human body. LifeCycle Pharma's proprietary technology platform, MeltDose® technology, offers lower dosing, reduced side effects and improved safety and patient compliance, as well as reduced product development time and development costs. LifeCycle Pharma is listed on the OMX Nordic Exchange under the trading symbol (LCP). Please visit www.lcpharma.com for further information about LifeCycle Pharma A/S.
