

Press release from Peab AB 2007-05-10

## Peab to build for Boliden in Aitik

Peab has been contracted to build a new concentrator with connecting infrastructure at the Aitik copper mine of Boliden outside Gällivare in northern Sweden. The contract amounts to about SEK 700 million.

It is a divided contract and the mode of payment is cost-plus with guiding price and cost of incentive.

The work will start in January 2008 and it is estimated to be ready in November 2009. The contract is conditioned by obtaining requisite environmental permissions.
