

NOTICE

TRADING HALT OF MINI FUTURE, CERTIFICATE AND WARRANT INSTRUMENTS

Nordea Bank AB (publ)

By reason of the proposed distribution by Getinge AB of the shares in its subsidiary Arjo AB, Nordea Bank AB (publ) will halt the trading of mini future, certificate and warrant instruments shown in Annexes 1, 2 and 3.

Trading of the mini future and certificate instruments will be halted 7 December 2017 – 12 December 2017 and the one warrant instrument will be halted for trading 7 December 2017 – 11 December 2017. Trading for the mini future and certificate instruments will continue from 13 December 2017 onwards when both the mini future and certificate instruments will reference only Getinge AB's share price. Trading for the one warrant instrument will continue from 12 December 2017 assuming that the trading of Arjo AB's shares has commenced on 12 December 2017 as expected in Nasdaq's exchange notice on 10 November 2017. When the warrant instrument continues to trade again, it will reference a basket of Getinge AB's and Arjo AB's share prices. The short name of the warrant will be changed according to the Annex 3.

Before the trading halt period customers can sell and buy the instruments as usual.
