

ORAPI Winner Futur40 Prize SME Finance / Morningstar

The ORAPI Group was awarded on Friday 21 November the Futur40 Prize at the Actionaria exhibition dedicated to the company for the strong growth of its business.

With an average increase of 24% per year, ORAPI, amongst the 40 listed French SMEs and ETI posted the strongest activity increase during the last 3 years.

This first edition organized by SME Finance in partnership with Morningstar, aims to demonstrate the richness of the French market and the performance of companies that comprise it.

The Futur40 Prize is awarded to the 40 most dynamic French companies listed from a selection of 4,000 securities eligible for PEA-SMEs, including 600 from France. To be selected, companies must have recorded an increase in their activity greater than 15% per year over the last 3 years.

"We are very proud of this award which recognizes an ambitious business project. Our development, combining external and organic growth, allowed us to multiply our sales by a factor of 20 during a 12-year period. I want to thank all the staff of ARIPO which has enabled the Group to become the leader in occupational health in France. We will maintain our focus and continue our active development " Guy Chiffлот, Chairman of ORAPI.
