ABOUT SIDETRADE (www.sidetrade.co.uk)

Software provider listed (NYSE Euronext, FR0010202606, ALBFR.PA), Siderade offers companies the opportunity to digitise the management of their financial relationships with customers. Siderade's market-leading solutions, complementary to ERPs, meet the challenges of securing what is often a company's largest asset, its accounts receivable, by reducing late payments and controlling customer risk. With sales in 65 countries, the Group enables 69,000 users from companies of all sizes and all sectors to collaborate via its Cloud solution and accelerate cash-flow generation.
