HL Display announces the information set out in this press release pursuant to the Swedish Securities Market Act. The information was submitted for publication at 11:45 on September 1, 2010.

HL Display is Europe's leading merchandising company. With more than 50 years experience, the company is experts at displaying products in stores in a way that increases sales and makes the store work more efficient, at the same time as providing end consumers with all the information required to make a purchasing decision. HL Display aims primarily at three customer segments: retail food, retail non-food and brand manufacturers.

HL Display' innovations have a proven record of establishing new standards on the market, all over the world. The company is represented on 46 markets in Western and Eastern Europe and in Asia with head office in Nacka, Stockholm. Net sales amounted to MSEK 1,360 in 2009.
