MANAGEMENT REPORT

Dear shareholders, partners and customers,

AS "PrivatBank" (the 'Bank') finished the first half of 2011 with a profit, which is one of the most important indicators of the Bank's successful activity in the hard times for the Latvian economy and the whole banking sector. There has been a slowdown in problem asset growth; a positive dynamic of the net interest income ratio has emerged. The paid-in capital of AS "PrivatBank" in the first half of 2011 is 40,470,000 LVL.

On 12 July 2011, Moody's agency specialists confirmed the current ratings of AS "PrivatBank" (B2/NP in deposits, E+ in financial strength) with a stable outlook.

The Bank's stable reputation is also acknowledged by our customers placing subordinated deposits with AS "PrivatBank".

According to a research conducted by a service audit company DORUS, AS "PrivatBank" took 3rd place in the "Customer Service Level and Sales" category, leaving behind many larger Latvian banks.

Branch network development

AS "PrivatBank" continues its policy of expanding the branch network not only in Latvia but also in other European markets. AS "PrivatBank" received a permit to carry out activities in Germany without opening a branch, which enables the Bank to activate operations in the market of this country.

In the second half of 2011, the Bank plans to open new branches and offices in Riga.

New products and services of the bank

From March 1, 2011, AS "PrivatBank" offered entrepreneurs even more advantageous terms of cooperation by introducing so-called Package for Legal Entities.

In order to improve customer service, AS "PrivatBank" has concluded a cooperation agreement with Nordea banka, and as of 1 March 2011, the friendly ATM network of AS "PrivatBank" was supplemented by more than 90 ATMs of Nordea banka. Now our customers can withdraw cash free of charge in more than 300 ATMs all over Latvia.

In May 2011, AS "PrivatBank" started to develop insurance intermediary business, offering its customers to acquire an OCTA (motor third-party liability) policy of AAS "Baltikums", AS "If P&C Insurance", SE "BTA Insurance Company" and AAS "Seesam Latvia". In the second half of 2011, AS "PrivatBank" customers will be able to acquire a KASKO (casco) policy and insure real estate.

The Bank's individual customers were not disregarded as well – in May 2011, AS "PrivatBank" introduced a new product for its customers, a banking package "The Great Five" for individuals, which combined a variety of products and services that we believe customers seek.

In July 2011, AS "PrivatBank" presented to its customers a new version of Privat24 Internet bank. The new version has an improved interface, is very safe and easy to use.

Public activities

AS "PrivatBank" is always ready to support social projects aimed at protecting the environment not only in Latvia but also in other countries of the world.

On April 30, 2011, the employees of the regional branches of AS "PrivatBank" together with other enthusiasts all over Latvia took part in the Big Cleanup, the annual Latvian cleanup event. In turn, on May 14, 2011, the employees of AS "PrivatBank" Head Office and regional branches in Riga, its customers and partners supported the initiative of Ukrainian colleagues and took part in the cleanup, which was organised in solidarity with PrivatBank banking group.

The Bank's main effort in the second half of 2011 will be directed towards further development of the branch network in Europe and strengthening its positions in the Latvian market.
