

**Vestas**®

# Partnership with you. It means the world to us.

Track record as of 31 December 2011

**Wind.** It means the world to us.™

# Relentlessly committed to wind.

For over 30 years, Vestas wind turbines have been amongst the most innovative in the world. With 46,143 wind turbines in 69 countries, accounting for 49,332 MW, Vestas underscores its position as a leader in wind energy.

We are relentlessly committed to wind and to changing the world's energy mix with wind.

---

A wind project spans 20 years and this is why Vestas takes a lifetime perspective when it comes to delivering value to customers. Vestas has solid coverage of critical elements across the customer's value chain.

With 30 years of experience, Vestas has 69.5% more installed megawatts than the closest competitor. Vestas has the know-how and the expertise to deliver value across the customer's value chain – from wind project development to grid operations.
