Millicom Statement following successful joint bid for 4G Licence in Colombia

Stockholm, 27 June 2013 – Millicom, the international telecommunications and media company (Stockholmsbörsen: MIC) today welcomed the announcement by the Colombian Government that the joint bid for a 4G Licence by Colombia Móvil (Tigo Colombia) with partner ETB had been successful.

Tigo Colombia will contribute COP 177,749,967 (US\$89m) as its 50% share of the costs (of which COP 97,874,970 for spectrum) associated with the licence.

The company responded to the announcement by stating:

“Millicom welcomes the announcement that our joint bid with our partner ETB was successful. This will allow us to continue offering even more innovation and choice to consumers in Colombia in the years to come. We look forward to beginning the work on 4G and creating a service that will transform lives and the Colombian economy even more.”
