**Lapland Goldminers AB is a producing mining company. The Company is listed on the market place First North Premier in Sweden under the name GOLD.**

**Lapland Goldminers' strategy is to develop mineral deposits into producing mines. The Company is strategically positioned with the fully permitted Fäboliden gold project in northern Sweden. The Pahtavaara gold operation is located in the north of Finland. Lapland Goldminers is a member of SveMin, the Swedish association for mines, minerals and metal producers, and follows SveMin's reporting rules for public mining and exploration companies.**
