About OW Bunker

OW Bunker is a leading global independent marine fuel (bunker) company founded in Denmark in 1980 with operations in 29 countries, including the world's busiest and most important ports. OW Bunker acts as a physical distributor as well as reseller of marine fuel, and operates a global fleet of around 30 bunker vessels. OW Bunker also provides advanced risk management solutions aimed at controlling costs, minimizing risk and protecting against market fluctuations. Read more on www.owbunker.com
