Of the 385,000 warrants originally issued, 19,150 lapsed upon termination of employees' employment and have subsequently been reissued as set out in section 9 of this appendix and 2,200 lapsed upon termination of employees' employment and have subsequently been reissued as set out in section 10 of this appendix.

Holders of warrants shall have pre-emption right to subscribe for the shares issued based on the warrants, meaning that the pre-emption rights to subscribe to warrants and new shares for existing shareholders' are deviated from.

If and to the extent that warrants are reissued, the Board of Directors is authorized during the period until 1 April 2016 to resolve on the related capital increase by a nominal value of up to DKK 3,550,000 in one or more portions by cash contribution at a subscription price and on such other terms as the Board of Directors may determine without pre-emption right for the existing shareholders.

The new shares issued based on issued, reused or reissued warrants shall have the same rights as existing shares according to the Articles of Association. The new shares shall be negotiable instruments and be issued to the bearer, but may be registered in the Company's register of shareholders. No restrictions in the transferability of the new shares shall apply and no shareholder shall be obliged to allow for their shares to be redeemed – in whole or in part. The new shares shall be eligible for dividends from the time of subscription.

Section 6

In accordance with authorization the Board of Directors has issued 78,500 warrants, providing the right to subscribe for a maximum of 78,500 shares, each with a nominal value of DKK 10 (a total nominal value of 785,000), at a rate of DKK 54 per share of nominal value DKK 10.

Subscription for shares according to the awarded warrants can be made, wholly or partly, in periods of each 14 days (1) first time from the day of publication of the Company's Half Year Report for the year 2015; (2) second time from the day of publication of the Company's Annual Report for the year 2015; (3) third time from the day of publication of the Company's Half Year Report for the year 2016; and/or (4) fourth time from the day of publication of the Company's Annual Report for the year 2016. Warrants, which are not exercised in the first subscription period, can be exercised in later subscription periods, however no later than 30 June 2017.

The existing shareholders shall not have pre-emptive right for the warrants.

The warrants cannot be assigned or placed as collateral by the warrant holder to third party.

If a decision is made before exercise of the warrants concerning sale of a majority of the shares in the Company, which means transfer of more than 50% of the Company's Share Capital to third party (who may be a shareholder in the company), the Board of Directors can decide:

That the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

That the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning dissolution of the Company, including by merger or de-merger, the Board of Directors can decide:

That the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

That the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning increase of capital, issue of warrants, convertible debt instrument or the like, by the means of which the shares can be subscribed for a value not lower than the market value, it shall not affect the terms and conditions for the exercise of the warrants. Nor will the terms of the warrants be affected by any resolution to increase the share capital in order to allow employees, consultants or directors of the Company or its subsidiaries to subscribe for shares at a price which is lower than the market value.

If, before the warrants have been exercised in full, a resolution is passed 1) to increase the share capital, issue warrants, convertible debt instruments or other instruments to any persons other than the employees, consultants or directors of the Company or its subsidiaries, allowing subscription for shares at a price which is lower than the market value, 2) to implement a share split or reverse share split, issue of own shares, recapitalisation, merger of share classes, changes of the rights attaching to shares in each class or any other distribution of the Company's shares without the Company receiving any compensation (issue of bonus shares), 3) to reduce the Company's share capital to cover any loss, or 4) to reduce the Company's share capital to make distributions to the shareholders, and such change reduces or increases the potential gain on the warrants, the exercise price and/or the number of shares that may be subscribed for by the exercise of warrants must be adjusted to ensure that the potential gain on the warrants remains unchanged. If, before the warrants have been exercised in full, a resolution is passed to reduce the Company's share capital to make distributions to the shareholders, and such change does not reduce or increase the potential gain on the warrants, the terms and conditions for the warrants.

For the exercise of awarded warrants, the Board of Directors has decided on an increase of the Company's share capital in one or more portions by a total nominal value of up to DKK 785,000 by cash payment at a price of DKK 54 per share of nominal DKK 10 and without pre-emption right for the Company's existing shareholders. The details and terms for the issuance of shares have been established by the Board of

Directors.

The Board of Directors may during the period ending 31 December 2013 in one or more portions reuse or reissue any lapsed and unexercised warrants issued in accordance with this section. Reuse is to be construed as the Board of Directors' entitlement to let another party enter into an existing agreement on warrants. Reissue is to be construed as the Board of Directors' option to reissue new warrants under the authorization set forth below, if previously issued warrants have lapsed.

The warrants may be reused or reissued to the management and employees of the Company or its subsidiaries, including to consultant and the Board of Directors of the Company. Warrants may be reissued for the subscription of shares by cash contribution at a subscription price and on such other terms as the Board of Directors may determine in accordance with the original authorization. Any issuance of warrants to the management shall be made in accordance with the Company's policy for incentive remuneration, prepared in accordance with section 139 of the Danish Companies Act and approved by the general meeting, cf. Article 17a of the Articles of Association. Of the 78,500 warrants originally issued, 1,500 lapsed upon termination of employees' employment and have subsequently been reissued as set out in section 9 of this appendix and 2,000 lapsed upon termination of employees' employment and have subsequently been reissued as set out in section 10 of this appendix.

Holders of warrants shall have pre-emption right to subscribe for the shares issued based on the warrants, meaning that the pre-emption rights to subscribe to warrants and new shares for existing shareholders' are deviated from.

If and to the extent that warrants are reissued, the Board of Directors is authorized during the period until 1 April 2017 to resolve on the related capital increase by a nominal value of up to DKK 785,000 in one or more portions by cash contribution at a subscription price and on such other terms as the Board of Directors may determine without pre-emption right for the existing shareholders.

The new shares issued based on issued, reused or reissued warrants shall from the time of subscription have the same rights as existing shares according to the Articles of Association. The new shares shall be negotiable instruments and be issued to the bearer, but may be registered in the Company's register of shareholders. No restrictions in the transferability of the new shares shall apply and no shareholder shall be obliged to allow for their shares to be redeemed – in whole or in part. The new shares shall be eligible for dividends from the time of subscription.

Section 7

In accordance with authorization the Board of Directors has issued 425,000 warrants, providing the right to subscribe to a maximum of 425,000 shares, each with a nominal value of DKK 10 (a total nominal value of 4,250,000), at a rate of DKK 59,1 per share of nominal value DKK 10.

Subscription for shares according to the awarded warrants can be made, wholly or partly, in periods of each 14 days (1) first time from the day of publication of the Company's third quarter announcement for the year of 2015; (2) second time from the day of publication of the Company's first quarter announcement for the year of 2016; (3) third time from the day of publication of the Company's third quarter announcement for the year of 2016; and/or (4) fourth time from the day of publication of the Company's first quarter announcement for the year of 2017. Warrants, which are not exercised in the first subscription period, can be exercised in later subscription periods, however no later than 31 July 2017.

The existing shareholders shall not have pre-emptive right for the warrants.

The warrants cannot be assigned or placed as collateral by the warrant holder to third party.

If a decision is made before exercise of the warrants concerning sale of a majority of the shares in the Company, which means transfer of more than 50% of the Company's Share Capital to third party (who may be a shareholder in the Company), the Board of Directors can decide:

That the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

That the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning dissolution of the company, including by merger or de-merger, the Board of Directors can decide:

That the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

That the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning increase of capital, issue of warrants, convertible debt instrument or the like, by the means of which the shares can be subscribed for a value not lower than the market value, it shall not affect the terms and conditions for the exercise of the warrants. Nor will the terms of the Warrants be affected by any resolution to increase the share capital in order to allow employees, consultants or directors of the Company or its subsidiaries to subscribe for shares at a price which is lower than the market value.

If a decision is made before exercise of the warrants concerning 1) increase of capital, issue of warrants, convertible debt instrument of the like, except to employees, consultants or board members of the Company and its subsidiaries, by the means of which the shares can be subscribed for a value lower than the market value, 2) if the Company implements a reduction of capital for coverage of deficit or 3) implements a reduction of capital in the Company with payment to the shareholders and this change involves a reduction or increase of the potential profit according to the warrants, the subscription price hereof and/or the amounts of shares shall be regulated, which can be subscribed by exercise of the warrants, so that the potential profit of the warrants will remain unchanged. Warrants to employees of Bavarian Nordic Inc. are, however, subject to additional adjustment provisions.

For the exercise of awarded warrants, the Board of Directors has decided on an increase of the Company's share capital in one or more portions by a total nominal value of up to DKK 4,250,000 by cash payment at a price of DKK 59.1 per share of nominal value DKK 10 and without pre-emption right for the Company's existing shareholders. The details and terms for the issuance of shares have been established by the Board of Directors.

The Board of Directors may during the period ending 31 December 2013 in one or more portions reuse or reissue any lapsed and unexercised warrants issued in accordance with this section. Reuse is to be construed as the Board of Directors' entitlement to let another party enter into an existing agreement on warrants. Reissue is to be construed as the Board of Directors' option to reissue new warrants under the authorization set forth below, if previously issued warrants have lapsed.

The warrants may be reused or reissued to the management and employees of the Company or its subsidiaries, including to consultant and the Board of Directors of the Company. Warrants may be reissued for the subscription of shares by cash contribution at a subscription price and on such other terms as the Board of Directors may determine in accordance with the original authorization. Any issuance of warrants to the management shall be made in accordance with the Company's policy for incentive remuneration, prepared in accordance with section 139 of the Danish Companies Act and approved by the general meeting, cf. Article 17a of the Articles of Association. Of the 425,000 warrants originally issued, 15,750 lapsed upon termination of employees' employment and have subsequently been reissued as set out in section 9 of this appendix and 5,350 lapsed upon termination of employees' employment and have subsequently been reissued as set out in section 10 of this appendix.

Holders of warrants shall have pre-emption right to subscribe for the shares issued based on the warrants, meaning that the pre-emption rights to subscribe to warrants and new shares for existing shareholders' are deviated from.

If and to the extent that warrants are reissued, the Board of Directors is authorized during the period until 10 April 2017 to resolve on the related capital increase by a nominal value of up to DKK 4,250,000 in one or more portions by cash contribution at

a subscription price and on such other terms as the Board of Directors may determine without pre-emption right for the existing shareholders.

The new shares issued based on issued, reused or reissued warrants shall from the time of subscription have the same rights as existing shares according to the Articles of Association. The new shares shall be negotiable instruments and be issued to the bearer, but may be registered in the Company's register of shareholders. No restrictions in the transferability of the new shares shall apply and no shareholder shall be obliged to allow for their shares to be redeemed – in whole or in part. The new shares shall be eligible for dividends from the time of subscription.

Section 8

In accordance with authorization the Board of Directors has issued 50,000 warrants, providing the right to subscribe to a maximum of 50,000 shares, each with a nominal value of DKK 10 (a total nominal value of 500,000), at a rate of DKK 55 per share of nominal value DKK 10.

Subscription for shares according to the awarded warrants can be made, wholly or partly, in periods of each 14 days (1) first time from the day of publication of the Company's Annual Report for the year of 2015; (2) second time from the day of publication of the Company's Half Year Report for the year of 2016; (3) third time from the day of publication of the Company's Annual Report for the year of 2016; and/or (4) fourth time from the day of publication of the Company's Half Year Report for the year of 2017. Warrants, which are not exercised in the first subscription period, can be exercised in later subscription periods, however no later than 31 October 2017.

The existing shareholders shall not have pre-emptive right for the warrants.

The warrants cannot be assigned or placed as collateral by the warrant holder to third party.

If a decision is made before exercise of the warrants concerning sale of a majority of the shares in the Company, which means transfer of more than 50% of the Company's Share Capital to third party (who may be a shareholder in the company), the Board of Directors can decide:

That the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

That the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning dissolution of the company, including by merger or de-merger, the Board of Directors can decide:

That the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

That the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning increase of capital, issue of warrants, convertible debt instrument or the like, by the means of which the shares can be subscribed for a value not lower than the market value, it shall not affect the terms and conditions for the exercise of the warrants. Nor will the terms of the Warrants be affected by any resolution to increase the share capital in order to allow employees, consultants or directors of the Company or its subsidiaries to subscribe for shares at a price which is lower than the market value.

If a decision is made before exercise of the warrants concerning 1) increase of capital, issue of warrants, convertible debt instrument of the like, except to employees, consultants or board members of the Company and its subsidiaries, by the means of which the shares can be subscribed for a value lower than the market value, 2) if the Company implements a reduction of capital for coverage of deficit or 3) implements a reduction of capital in the Company with payment to the shareholders and this change involves a reduction or increase of the potential profit according to the warrants, the subscription price hereof and/or the amounts of shares shall be regulated, which can be subscribed by exercise of the warrants, so that the potential profit of the warrants will remain unchanged. If, before the Warrants have been exercised in full, a resolution is passed to reduce the Company's share capital to make distributions to the shareholders, and such change does not reduce or increase the potential gain on the Warrants, the exercise price and/or the number of shares that may be subscribed for by the exercise of Warrants will not be adjusted. Warrants to employees of Bavarian Nordic Inc. are, however, subject to additional adjustment provisions.

For the exercise of awarded warrants, the Board of Directors has decided on an increase of the Company's share capital in one or more portions by a total nominal value of up to DKK 500,000 by cash payment at a price of DKK 55 per share of nominal value DKK 10 and without pre-emption right for the Company's existing shareholders. The details and terms for the issuance of shares have been established by the Board of Directors.

The Board of Directors may during the period ending 31 December 2013 in one or more portions reuse or reissue any lapsed and unexercised warrants issued in accordance with this section. Reuse is to be construed as the Board of Directors' entitlement to let another party enter into an existing agreement on warrants. Reissue is to be construed as the Board of Directors' option to reissue new warrants under the authorization set forth below, if previously issued warrants have lapsed.

The warrants may be reused or reissued to the management and employees of the Company or its subsidiaries, including to consultant and the Board of Directors of the Company. Warrants may be reissued for the subscription of shares by cash contribution at a subscription price and on such other terms as the Board of Directors may determine in accordance with the original authorization. Any issuance of warrants to the management shall be made in accordance with the Company's policy for incentive remuneration, prepared in accordance with section 139 of the Danish Companies Act and approved by the general meeting, cf. Article 17a of the Articles of Association.

Holders of warrants shall have pre-emption right to subscribe for the shares issued based on the warrants, meaning that the pre-emption rights to subscribe to warrants and new shares for existing shareholders' are deviated from.

If and to the extent that warrants are reissued, the Board of Directors is authorized during the period until 10 April 2017 to resolve on the related capital increase by a nominal value of up to DKK 500,000 in one or more portions by cash contribution at a subscription price and on such other terms as the Board of Directors may determine without pre-emption right for the existing shareholders.

The new shares issued based on issued, reused or reissued warrants shall from the time of subscription have the same rights as existing shares according to the Articles of Association. The new shares shall be negotiable instruments and be issued to the bearer, but may be registered in the Company's register of shareholders. No restrictions in the transferability of the new shares shall apply and no shareholder shall be obliged to allow for their shares to be redeemed – in whole or in part. The new shares shall be eligible for dividends from the time of subscription.

Section 9

In accordance with authorizations in Article 5b and sections 5, 6 and 7 of this appendix the Board of Directors has issued, respectively re-issued 550,000 warrants, providing the right to subscribe to a maximum of 550,000 shares, each with a nominal value of DKK 10 (a total nominal value of 5,500,000), at a rate of DKK 73.9 per share of nominal value DKK 10. Of the 550,000 warrants, 19,150 have been reissued under section 5 of this appendix, 1,500 have been reissued under section 6 of this appendix and 15,750 have been reissued under section 7 of this appendix.

Subscription for shares according to the awarded warrants can be made, wholly or partly, in periods of each 14 days (1) first time from the day of publication of the Company's Interim Financial Report for the third quarter of 2016; (2) second time from the day of publication of the Company's Interim Financial Report for the first quarter of 2017; (3) third time from the day of publication of the Company's Interim Financial Report for the third quarter of 2017; and/or (4) fourth time from the day of publication of the Company's Interim Financial Report for the period first quarter of 2018.

Warrants, which are not exercised in the first subscription period, can be exercised in later subscription periods, however no later than 31 July 2018.

The existing shareholders shall not have pre-emptive right for the warrants.

The warrants cannot be assigned or placed as collateral by the warrant holder to third party.

If a decision is made before exercise of the warrants concerning sale of a majority of the shares in the Company, which means transfer of more than 50% of the Company's Share Capital to third party (who may be a shareholder in the company), the Board of Directors can decide:

That the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

That the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning dissolution of the company, including by merger or de-merger, the Board of Directors can decide:

that the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

that the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning increase of capital, issue of warrants, convertible debt instrument or the like, by the means of which the shares can be subscribed for a value not lower than the market value, it shall not affect the terms and conditions for the exercise of the warrants. Nor will the terms of the Warrants be affected by any resolution to increase the share capital in order to allow employees, consultants or directors of the Company or its subsidiaries to subscribe for shares at a price which is lower than the market value.

If a decision is made before exercise of the warrants concerning 1) increase of capital, issue of warrants, convertible debt instrument of the like, except to employees, consultants or board members of the Company and its subsidiaries, by the means of which the shares can be subscribed for a value lower than the market value, 2) if the Company implements a reduction of capital for coverage of deficit or 3) implements a reduction of capital in the Company with payment to the shareholders and this change involves a reduction or increase of the potential profit according to the warrants, the subscription price hereof and/or the amounts of shares shall be regulated, which can be subscribed by exercise of the warrants, so that the potential profit of the warrants

will remain unchanged. If, before the Warrants have been exercised in full, a resolution is passed to reduce the Company's share capital to make distributions to the shareholders, and such change does not reduce or increase the potential gain on the Warrants, the exercise price and/or the number of shares that may be subscribed for by the exercise of Warrants will not be adjusted. Warrants to employees of Bavarian Nordic Inc. are, however, subject to additional adjustment provisions.

For the exercise of awarded warrants, the Board of Directors has decided on an increase of the Company's share capital in one or more portions by a total nominal value of up to DKK 5,500,000 by cash payment at a price of DKK 73.9 per share of nominal value DKK 10 and without pre-emption right for the Company's existing shareholders. The details and terms for the issuance of shares have been established by the Board of Directors.

The Board of Directors may during the period ending 31 December 2014 in one or more portions reuse or reissue any lapsed and unexercised warrants issued in accordance with this section. Reuse or reissue of the 36,400 warrants that have been reissued under Article 5b and sections 5, 6 and 7 of this appendix can only be reused or reissued during the period ending 31 December 2013. Reuse is to be construed as the Board of Directors' entitlement to let another party enter into an existing agreement on warrants. Reissue is to be construed as the Board of Directors' option to reissue new warrants under the authorization set forth below, if previously issued warrants have lapsed.

The warrants may be reused or reissued to the management and employees of the Company or its subsidiaries, including to consultant and the Board of Directors of the Company. Warrants may be reissued for the subscription of shares by cash contribution at a subscription price and on such other terms as the Board of Directors may determine in accordance with the original authorization. Any issuance of warrants to the management shall be made in accordance with the Company's policy for incentive remuneration, prepared in accordance with section 139 of the Danish Companies Act and approved by the general meeting, cf. Article 17a of the Articles of Association. Of the 550,000 warrants originally issued, (i) 15,000 lapsed upon termination of employees' employment and have subsequently been reissued as set out in section 10 of this appendix, and (ii) 51,950 lapsed upon termination of employees' employment and have subsequently been reissued as set out in section 11 of this appendix.

Holders of warrants shall have pre-emption right to subscribe for the shares issued based on the warrants, meaning that the pre-emption rights to subscribe to warrants and new shares for existing shareholders' are deviated from.

If and to the extent that warrants are reissued, the Board of Directors is authorized during the period until 1 April 2018 to resolve on the related capital increase by a nominal value of up to DKK 5,500,000 in one or more portions by cash contribution at a subscription price and on such other terms as the Board of Directors may determine without pre-emption right for the existing shareholders. If and to the extent that warrants are reissued pursuant to Article 5b and section 5 of this appendix (19,150

warrants) the authorization to the related capital increase is only applicable during the period until 1 April 2016. If and to the extent that warrants are reissued pursuant to Article 5b and section 6 of this appendix (1,500 warrants) the authorization to the related capital increase is only applicable during the period until 1 April 2017. If and to the extent that warrants are reissued pursuant to Article 5b and section 7 of this appendix (15,750 warrants) the authorization to the related capital increase is only applicable during the period until 10 April 2017.

The new shares issued based on issued, reused or reissued warrants shall from the time of subscription have the same rights as existing shares according to the Articles of Association. The new shares shall be negotiable instruments and be issued to the bearer, but may be registered in the Company's register of shareholders. No restrictions in the transferability of the new shares shall apply and no shareholder shall be obliged to allow for their shares to be redeemed – in whole or in part. The new shares shall be eligible for dividends from the time of subscription.

Section 10

In accordance with authorizations in Article 5b of the Articles of Association and sections 5, 6, 7 and 9 of this appendix the Board of Directors has issued, respectively re-issued 70,000 warrants, providing the right to subscribe to a maximum of 70,000 shares, each with a nominal value of DKK 10 (a total nominal value of 700,000), at a rate of DKK 96.5 per share of nominal value DKK 10. Of the 70,000 warrants, 24,550 have been reissued under sections 5, 6, 7 and 9 of this appendix.

Subscription for shares according to the awarded warrants can be made, wholly or partly, in periods of each 14 days (1) first time from the day of publication of the Company's Annual Report for the year 2016; (2) second time from the day of publication of the Company's Half Year Report for the year 2017; (3) third time from the day of publication of the Company's Annual Report for the year 2017; and/or (4) fourth time from the day of publication of the Company's Half Year report for the year 2018. Warrants, which are not exercised in the first subscription period, can be exercised in later subscription periods, however no later than 30 November 2018.

The existing shareholders shall not have pre-emptive right for the warrants.

The warrants cannot be assigned or placed as collateral by the warrant holder to third party.

If a decision is made before exercise of the warrants concerning sale of a majority of the shares in the Company, which means transfer of more than 50% of the Company's Share Capital to third party (who may be a shareholder in the company), the Board of Directors can decide:

That the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and

conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

That the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning dissolution of the company, including by merger or de-merger, the Board of Directors can decide:

that the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

that the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning increase of capital, issue of warrants, convertible debt instrument or the like, by the means of which the shares can be subscribed for a value not lower than the market value, it shall not affect the terms and conditions for the exercise of the warrants. Nor will the terms of the Warrants be affected by any resolution to increase the share capital in order to allow employees, consultants or directors of the Company or its subsidiaries to subscribe for shares at a price which is lower than the market value.

If a decision is made before exercise of the warrants concerning 1) increase of capital, issue of warrants, convertible debt instrument of the like, except to employees, consultants or board members of the Company and its subsidiaries, by the means of which the shares can be subscribed for a value lower than the market value, 2) if the Company implements a reduction of capital for coverage of deficit or 3) implements a reduction of capital in the Company with payment to the shareholders and this change involves a reduction or increase of the potential profit according to the warrants, the subscription price hereof and/or the amounts of shares shall be regulated, which can be subscribed by exercise of the warrants, so that the potential profit of the warrants will remain unchanged. If, before the Warrants have been exercised in full, a resolution is passed to reduce the Company's share capital to make distributions to the shareholders, and such change does not reduce or increase the potential gain on the Warrants, the exercise price and/or the number of shares that may be subscribed for by the exercise of Warrants will not be adjusted. Warrants to employees of Bavarian Nordic Inc. are, however, subject to additional adjustment provisions.

For the exercise of awarded warrants, the Board of Directors has decided on an increase of the Company's share capital in one or more portions by a total nominal value of up to DKK 700,000 by cash payment at a price of DKK 96.5 per share of nominal value DKK 10 and without pre-emption right for the Company's existing

shareholders. The details and terms for the issuance of shares have been established by the Board of Directors.

The Board of Directors may during the period ending 31 December 2014 in one or more portions reuse or reissue any lapsed and unexercised warrants issued in accordance with this section. Reuse or reissue of the 9,550 warrants that have been reissued under Article 5b and sections 5, 6 and 7 can only be reused or reissued during the period ending 31 December 2013. Reuse is to be construed as the Board of Directors' entitlement to let another party enter into an existing agreement on warrants. Reissue is to be construed as the Board of Directors' option to reissue new warrants under the authorization set forth below, if previously issued warrants have lapsed.

The warrants may be reused or reissued to the management and employees of the Company or its subsidiaries, including to consultant and the Board of Directors of the Company. Warrants may be reissued for the subscription of shares by cash contribution at a subscription price and on such other terms as the Board of Directors may determine in accordance with the original authorization. Any issuance of warrants to the management shall be made in accordance with the Company's policy for incentive remuneration, prepared in accordance with section 139 of the Danish Companies Act and approved by the general meeting, cf. Article 17a of the Articles of Association.

Holders of warrants shall have pre-emption right to subscribe for the shares issued based on the warrants, meaning that the pre-emption rights to subscribe to warrants and new shares for existing shareholders are deviated from.

If and to the extent that warrants are reissued, the Board of Directors is authorized during the period until 1 April 2018 to resolve on the related capital increase by a nominal value of up to DKK 700,000 in one or more portions by cash contribution at a subscription price and on such other terms as the Board of Directors may determine without pre-emption right for the existing shareholders. If and to the extent that warrants are reissued pursuant to Article 5b and section 5 of this appendix (2,200 warrants) the authorization to the related capital increase is only applicable during the period until 1 April 2016. If and to the extent that warrants are reissued pursuant to Article 5b and section 6 of this appendix (2,000 warrants) the authorization to the related capital increase is only applicable during the period until 1 April 2017. If and to the extent that warrants are reissued pursuant to Article 5b and section 7 of this appendix (5,350 warrants) the authorization to the related capital increase is only applicable during the period until 10 April 2017. The new shares issued based on issued, reused or reissued warrants shall from the time of subscription have the same rights as existing shares according to the Articles of Association. The new shares shall be negotiable instruments and be issued to the bearer, but may be registered in the Company's register of shareholders. No

restrictions in the transferability of the new shares shall apply and no shareholder shall be obliged to allow for their shares to be redeemed – in whole or in part. The new shares shall be eligible for dividends from the time of subscription.

Section 11

In accordance with authorizations in Article 5b of the Articles of Association and section 9 of this appendix, the Board of Directors has issued, respectively re-issued 505,000 warrants, providing the right to subscribe to a maximum of 505,000 shares, each with a nominal value of DKK 10 (a total nominal value of DKK 5,050,000), at a rate of DKK 131.40 per share of nominal value DKK 10. Of the 505,000 warrants, 51,950 have been reissued under section 9 of this appendix.

Subscription for shares according to the awarded warrants can be made, wholly or partly, in periods of each 14 days (1) first time from the day of publication of the Company's Interim Report (Q3) for the first 9 months of 2017; (2) second time from the day of publication of the Company's Annual Report for the year 2017; (3) third time from the day of publication of the Company's Interim Report (Q1) for three months of 2018; (4) fourth time from the day of publication of the Company's Half Year Report (Q2) for 6 months of 2018; (5) fifth time from the day of publication of the Company's Interim Report (Q3) for 9 months of 2018; (6) sixth time from the day of publication of the Company's Annual Report for 2018; (7) seventh time from the day of publication of the Company's Interim Report (Q1) for 3 months of 2019 and/or (8) eighth time from the day of publication of the Company's Half Year Report (Q2) for 6 months of 2019. Warrants, which are not exercised in the first subscription period, can be exercised in later subscription periods, however no later than 1 December 2019.

If the warrant holder is in possession of insider knowledge during the last subscription period, the warrant holder may request from the Board of Directors a right to exercise warrants in a period of 2 weeks after the first publication of the Company's Interim Report or Annual Report (the "Extraordinary Period") after the expiry of the last subscription period. It is a requirement for exercising warrants in the Extraordinary Period that the warrant holder has requested the Company's Board of Directors in writing hereof by the expiry of the last subscription period, after which the Board of Directors decides on a potential Extraordinary Period. The Board of Directors shall not be obliged to this and shall make its decision in accordance with the broad policy for incentive remuneration in force at the time in question. The Board of Directors may decide to expand the subscription period by one or more Extraordinary Periods.

The existing shareholders shall not have pre-emptive right for the warrants.

The warrants cannot be assigned or placed as collateral by the warrant holder to third party.

If a decision is made before exercise of the warrants concerning sale of a majority of the shares in the Company, which means transfer of more than 50% of the Company's

Share Capital to third party (who may be a shareholder in the company), the Board of Directors can decide:

That the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

That the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning dissolution of the company, including by merger or de-merger, the Board of Directors can decide:

that the warrant holder, wholly or partly shall exercise all awarded warrants, regardless of whether vested or not and transfer the shares on the same terms and conditions as the other transferring shareholders (or renounce to do so, in which case the warrants shall lapse), or

that the warrant holder shall keep the awarded warrants on the terms and conditions set out herein.

If a decision is made before exercise of the warrants concerning increase of capital, issue of warrants, convertible debt instrument or the like, by the means of which the shares can be subscribed for a value not lower than the market value, it shall not affect the terms and conditions for the exercise of the warrants. Nor will the terms of the Warrants be affected by any resolution to increase the share capital in order to allow employees, consultants or directors of the Company or its subsidiaries to subscribe for shares at a price which is lower than the market value.

If a decision is made before exercise of the warrants concerning 1) increase of capital, issue of warrants, convertible debt instrument of the like, except to employees, consultants or board members of the Company and its subsidiaries, by the means of which the shares can be subscribed for a value lower than the market value, 2) if the Company implements a reduction of capital for coverage of deficit or 3) implements a reduction of capital in the Company with payment to the shareholders and this change involves a reduction or increase of the potential profit according to the warrants, the subscription price hereof and/or the amounts of shares shall be regulated, which can be subscribed by exercise of the warrants, so that the potential profit of the warrants will remain unchanged. If, before the Warrants have been exercised in full, a resolution is passed to reduce the Company's share capital to make distributions to the shareholders, and such change does not reduce or increase the potential gain on the Warrants, the exercise price and/or the number of shares that may be subscribed for by the exercise of Warrants will not be adjusted. Warrants to employees of Bavarian Nordic Inc. are, however, subject to additional adjustment provisions.

For the exercise of awarded warrants, the Board of Directors has decided on an increase of the Company's share capital in one or more portions by a total nominal value of up to DKK 5,050,000 by cash payment at a price of DKK 131.40 per share of nominal value DKK 10 and without pre-emption right for the Company's existing shareholders. The details and terms for the issuance of shares have been established by the Board of Directors.

The Board of Directors may during the period ending 31 December 2015 in one or more portions reuse or reissue any lapsed and unexercised warrants issued in accordance with this section. Reuse or reissue of the 51,950 warrants that have been reissued under Article 5b and section 9 can only be reused or reissued during the period ending 31 December 2014. Reuse is to be construed as the Board of Directors' entitlement to let another party enter into an existing agreement on warrants. Reissue is to be construed as the Board of Directors' option to reissue new warrants under the authorization set forth below, if previously issued warrants have lapsed.

The warrants may be reused or reissued to the management and employees of the Company or its subsidiaries, including to consultant and the Board of Directors of the Company. Warrants may be reissued for the subscription of shares by cash contribution at a subscription price and on such other terms as the Board of Directors may determine in accordance with the original authorization. Any issuance of warrants to the management shall be made in accordance with the Company's policy for incentive remuneration, prepared in accordance with section 139 of the Danish Companies Act and approved by the general meeting, cf. Article 17a of the Articles of Association.

Holders of warrants shall have pre-emption right to subscribe for the shares issued based on the warrants, meaning that the pre-emption rights to subscribe to warrants and new shares for existing shareholders are deviated from.

If and to the extent that warrants are reissued, the Board of Directors is authorized during the period until 1 April 2019 to resolve on the related capital increase by a nominal value of up to DKK 5,050,000 in one or more portions by cash contribution at a subscription price and on such other terms as the Board of Directors may determine without pre-emption right for the existing shareholders. If and to the extent that warrants are reissued pursuant to Article 5b and section 9 of this appendix (51,950 warrants) the authorization to the related capital increase is only applicable during the period until 1 April 2018.

The new shares issued based on issued, reused or reissued warrants shall from the time of subscription have the same rights as existing shares according to the Articles of Association. The new shares shall be negotiable instruments and be issued to the bearer, but may be registered in the Company's register of shareholders. No restrictions in the transferability of the new shares shall apply and no shareholder shall be obliged to allow for their shares to be redeemed – in whole or in part. The new shares shall be eligible for dividends from the time of subscription.
