The Nomination Committee proposes seven ordinary Board Members, including the Chairman and the Vice Chairman, and no alternate Board Members.

The Nomination Committee further proposes that the company shall have a registered auditing company as auditor, and no alternate auditors.

The Nomination Committee proposes that, for the period until the next Annual General Meeting, the Board receives a total remuneration of SEK 1,050,000. It is proposed that this remuneration shall be divided between the Chairman SEK 300,000 and the ordinary Board Members SEK 150,000, with no remuneration for the Managing Director. The Nomination Committee proposes that the Auditor shall be paid against approved invoice.

The Board remuneration may be, if certain conditions are fulfilled, billed by the Board Member's company. The procedure must be cost-neutral for SinterCast.

Election of Board Members, alternate Board Members (if any), Chairman, Vice Chairman, auditors and alternate auditors (if any) (item 13)

The Nomination Committee proposes re-election of the present Board Members: Hans-Erik Andersson, Aage Figenschou, Robert Dover, Laurence Vine-Chatterton, Carina Andersson, Jason Singer and Steve Dawson as ordinary members for the period until the next Annual General Meeting. Hans-Erik Andersson is proposed to remain as Chairman of the Board and Aage Figenschou as Vice Chairman of the Board. Information about the proposed Board Members is available on SinterCast's website (www.sintercast.com).

The Nomination Committee proposes re-election of the company's existing auditor, the registered auditing company Öhrlings PricewaterhouseCoopers AB, with Tobias Strähle as principal auditor, for the period until the next Annual General Meeting.

Election of Nomination Committee Members (item 14)

The Nomination Committee proposes the Nomination Committee to consist of four members and proposes re-election of Karl-Arne Henriksson, Ulla-Britt Fräjdin-Hellqvist, Andrea Fessler and Hans-Erik Andersson. Karl-Arne Henriksson is proposed to remain the Chairman of the Nomination Committee. If a member of the Nomination Committee should leave the Nomination Committee before its work is concluded, the Chairman of the Nomination Committee shall be given the assignment to contact the largest shareholder that has not already appointed a member of the Nomination Committee and to ask that shareholder to appoint a member to the Nomination Committee. If this shareholder does not wish to appoint a member to the Nomination Committee, the second largest shareholder will be asked to do so, etc.

Decision regarding the Remuneration Policy in respect of Group Management (item 15)

The Board of Directors proposes that the Annual General Meeting decides upon a remuneration policy in respect of the Managing Director and other members of the Group Management as follows. The remuneration shall consist of a balanced combination of fixed remuneration, variable remuneration, pension and other benefits. The total remuneration shall be in accordance with market practice and shall be based on performance. The fixed remuneration shall be individually determined and shall be based on each individual's responsibility, role, competence and position. Variable remuneration shall be based on predetermined targets on the Group and individual levels, considering the effect on the long term result. In extraordinary situations a special compensation may be paid out to attract and retain key competence. Variable remuneration and special compensation may not exceed an amount corresponding to 75 percent of the fixed annual salary.

Pension benefits are in the form of defined contribution plans. A defined contribution plan is a pension plan under which the Group pays fixed contributions into a separate entity. The Group has no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods. Bonus shall not constitute a basis for pension.

Upon termination by the company, the notice period for the Managing Director is nine months, and six months for the other members of the Group Management. Upon termination of the Managing Director by the company the Managing Director is entitled to a severance payment of nine months compensation. No severance payments

have been agreed with the other members of the Group Management. As regards the Managing Director, in the case of notice being provided by the company, no deduction shall be made for remuneration paid by another employer.

The Board of Directors and, on behalf of the Board of Directors, the Compensation Committee, shall be entitled to deviate from the guidelines if there are specific reasons or needs in an individual case.

The main conditions for remuneration to Group Management in the current employment agreements are described in Note 5 in the Annual Report for 2014.

Decision to authorise the Board of Directors to decide upon acquisition and disposal of SinterCast shares (item 16)

The Board of Directors proposes that the Annual General Meeting authorises the Board to, on one or more occasions prior to the next Annual General Meeting,

- decide upon the acquisition of SinterCast shares. SinterCast may only acquire such number of shares so that the company's shareholding at any given time does not exceed 10 percent of the total shares in the company. Acquisition of shares may be made on NASDAQ OMX Stockholm AB at a price within the registered price interval on each occasion,
- decide upon disposal of a maximum of all SinterCast shares held by the company at any given time, on NASDAQ OMX Stockholm AB or in other ways, for example in connection with the potential acquisition of a company or business, with or without a deviation from the shareholders' preferential rights and with or without payment in kind or payment by set-off. Disposal of shares on NASDAQ OMX Stockholm AB may only be made at a price within the registered price interval on each occasion. Disposal of shares in other ways may be made at a market price estimated by the Board of Directors.

The purpose of the authorisation is for SinterCast to be able to acquire its own shares at any given time so as to adapt the capital structure of the company and to be able to transfer shares in connection with a potential acquisition of a company or business.

Proposal from shareholder (item 17)

The shareholder Kristofer Levén from Gothenburg proposes that the Annual General Meeting shall decide that the Board shall investigate the need for a share split, meaning that one existing share in the company shall be divided into four shares. The reasons for the shareholder's proposal are that SinterCast stands out on the stock exchange's Small Cap list with unusually few shares in relation to stock value and that a share split would correct this. Also, a share split would adapt the share price to a psychologically more appropriate interval before expected share price rises during the next three years and may, in the long term, contribute to increased trading of the share. The shareholder is of the opinion that the sometimes low turnover of the shares is an important issue to address.
