

PARTNERTECH

PRESSRELEASE 2015-07-15

PartnerTech awarded contract extension from existing customer

PartnerTech has been awarded a contract extension from one of its largest customers covering manufacturing, distribution and aftermarket services in North America.

PartnerTech's operations in North America is focused on manufacturing and distribution services, for example AIA (Assembled in America), which provides the customers with a local and flexible supply chain in the North American market.

" We have experienced a positive development in North America during recent years. The extension of this agreement is additional proof of PartnerTech's competitive global offering throughout the entire product life cycle. With our strong operations we can offer our customers flexible services and manufacturing in North America," says Leif Thorwaldsson, President and CEO, PartnerTech AB.
