Beijer Electronics appoints Vice President Europe

Stefan Lager (53) has been appointed Vice President Europe for the Beijer Electronics Group.

Stefan Lager currently holds the position as Managing Director for PostNord Fulfilment AB within the Post Nord group.

Stefan has a broad international experience, having worked within PostNord and Stålfors for over 10 years in a variety of senior positions including as CIO and VP Operations and Business Development and latterly as the Head of the Fulfilment Division. Prior to this Stefan has worked as Senior Vice President Global Accounts within Flextronics International as well as holding senior positions within Ericsson.

"I am happy to announce the appointment of Stefan Lager to the position of Vice President Europe for the Beijer Electronics Group. Stefan is a strong believer of a creating a business culture that allows close interaction with our customers, creating the partnership that allows us to drive business value by being innovative through the use of technology in an entrepreneurial way", says Per Samuelsson, President and CEO of Beijer Electronics.

Stefan joins on April 4, 2016, and will be part of the Group Management.
