

Aqeri signs contract worth USD 350k with Swedish defense company

Aqeri, Swedish manufacturer of rugged computers and communication equipment for extreme environments, has signed a contract with a Swedish defense company worth USD 350k. Deliveries relate to development and production of rugged communication equipment and will be concluded in the third quarter of 2016.

CEO's comments:

“Aqeri’s products are enjoying continued confidence as regards demanding technical requirements and environments. Continuous product development at the forefront of technology is paying off. Similar deals in the future are definitely within the range of possibilities.”
