CAREDX INITIATES COMPULSORY ACQUISITION PROCEEDINGS AND ALLENEX FILES FOR DE-LISTING

CareDx, Inc ("CareDx") announced on 8 April 2016 that the company completes its public offer to the shareholders of Allenex AB (publ), ("Allenex"). After completion of the offer, CareDx holds approximately 98.3 percent of the shares of Allenex and has notified Allenex' board of directors that CareDx has resolved to initiate compulsory acquisition proceedings regarding the remaining shares.

In light of the above, Allenex' board of directors does not consider it motivated for Allenex to remain a listed company and has therefore decided to apply for de-listing of the Allenex share from Nasdaq Stockholm. The last day of trading in the Allenex share will be announced as soon as a notification thereof has been received from Nasdaq Stockholm.
