About Exiqon

At Exiqon, we advance the research of when and where genes are expressed. We empower scientists across the world with best-in-class products and user-friendly business solutions designed to transform workflows in our industry. Exiqon operates in two business areas: Exiqon Life Sciences is a leading provider of flexible solutions for gene expression analysis. Academia, biotech and pharmaceutical companies around the world use Exiqon's research products to make ground-breaking discoveries. Exiqon Diagnostics collaborates with diagnostic and pharmaceutical companies to develop novel molecular diagnostic tests for early detection of diseases, which can help physicians make better treatment decisions. Exiqon is listed on Nasdaq Copenhagen. For more information about us, please visit www.exiqon.com
