

**AC Immune Announces Pricing of Upsized Initial Public Offering**

Lausanne, Switzerland – September 23, 2016 - AC Immune SA announced today the pricing of its initial public offering of 6,000,000 of its common shares at the initial public offering price of \$11.00 per common share. This represents a 32% increase in the offering size relative to the originally announced amount of 4,545,456 common shares. In addition, AC Immune has granted the underwriters for the offering an option to purchase up to 900,000 additional common shares to cover over-allotments. After deducting the underwriting discounts and other estimated offering expenses, the net proceeds of the initial public offering are expected to be approximately \$57.8 million. The offering is expected to close on or about September 28, 2016, subject to customary closing conditions. AC Immune's common shares have been approved for listing on the NASDAQ and are expected to begin trading under the ticker symbol "ACIU" on September 23, 2016.
