Kopy Goldfields launches new website

Kopy Goldfields AB (publ) ("Kopy Goldfields" or "the Company") has launched an updated website, www.kopygoldfields.com. The new website is responsive, has a new design and presents the Kopy Goldfields' projects in a more informative way than previously.

Tim Carlsson, CFO of Kopy Goldfields comments the news: "The new website is part of an ongoing process of improving our communication to the financial market and our shareholders. The Company is currently in an exciting stage of development, with feasibility studies, intense exploration and movement towards production. At the same time the number of shareholders is increasing. This requires a user-friendly and informative website which is also modern and easy to keep updated. With the new website we are fulfilling these expectations."
