About CAMPOSOL

CAMPOSOL is a vertically integrated producer of branded fresh and healthy food that offers high quality, healthy and fresh food to consumers around the world, based on a sustainable management model. CAMPOSOL is organized into two main business units: Camposol Fruits and Vegetables (fresh produce) and Marinasol (aquaculture) and its portfolio includes superfoods like blueberries, avocados, shrimp, mandarins, among others. Additionally, our international commercial platform is responsible for the commercialization of the products of these two units, with offices in the US, The Netherlands and China. CAMPOSOL guarantees the full traceability of its products and is committed to supporting sustainable development through social and environmental responsibility policies and projects intended to increase the shared-value for all its stakeholders. On the strength of this value proposition, CAMPOSOL's commercial offices have established long-term relationships with the top worldwide supermarket chains and service them directly.

CAMPOSOL is also an active member of the Global Compact since 2008. It presents annual Sustainability Reports aligned to the GRI Methodology and has achieved the following international certifications: BSCI, Global Gap, IFS, HACCP and BRC among others.
