

Pascal Koster appointed Chief Technology Officer (CTO) at Mobistar

Brussels, 9 November 2007 – Mobistar announces the appointment of Pascal Koster, Managing Director of VOXmobile, to the position of Chief Technology Officer and member of the Executive Committee of Mobistar. Pascal Koster will retain his role as Managing Director of VOXmobile in Luxembourg and will share his time between these functions and his new functions in Brussels.

Pascal Koster, aged 39, is qualified as an electrical and technical engineer, with a specialisation in telecommunications, at the Federal Polytechnic School in Zurich, and also gained an MBA at the Sacred Heart University, Connecticut.

After spending seven years at CEGEDEL, he entered the TELE2 group as Managing Director of TANGO S.A. In November 2003, together with Jean-Claude Bintz and the investors AUDIOLUX S.A. and BIP Investments S.A., he created the telecom operator VOXmobile. In July 2007 Mobistar took a 90 % stake in VOXmobile, with the remaining 10 % in the hands of BIKO Investments S.A. held by Jean-Claude Bintz and Pascal Koster.

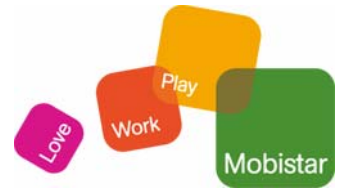

“For us this appointment reflects the excellent spirit of cooperation with our colleagues at Mobistar and demonstrates the harmonious integration in technical terms, as well as in terms of products and the strategy in general,” explains Jean-Claude Bintz, Managing Director of VOXmobile. “We are proud to be able to share our way of working, thanks to Pascal, and we wish him every success and enjoyment with his new responsibilities.”

“Pascal’s competences and dynamism, as well as his realistic vision on the evolution of technical solutions will allow Mobistar to better respond to its customers’ needs regarding innovation and quality of services” says Bernard Moschéni, Mobistar CEO.

Mobistar (EURONEXT BRUSSELS: MOBB) is one of the main actors in the world of telecommunications in Belgium and Luxembourg, active in mobile telephony, fixed telephony, ADSL and on other markets with a strong growth potential. The company develops innovative products and services for the residential and the business market. Mobistar is listed on the Brussels Stock Exchange and is part of the France Télécom group.

VOXmobile is a full-service telecoms operator providing fixed, mobile, ADSL and WLAN services in Luxembourg, and operating hosting services such as a Microsoft Hosted Exchange and IPCentrex One platforms. VOXmobile holds GSM 900/1800 (EDGE) and UMTS licences and operates its own networks. VOXmobile starting commercial operations in May 2004 and took only three years to acquire market share of 20%. VOXmobile provides high quality innovative services at competitive prices. VOXmobile and its two subsidiaries, TOPLINE distributions (operating VOXshops) and MOSKITO productions (content and communication agency), employ almost 100 persons.
