

## **New CEO's first working day**

With reference to the company announcement issued on 11 July 2008 which announced Kurt Erling Birk's wish to resign as CEO of Ambu A/S in order to retire, as well as Lars Marcher's appointment as new CEO, we can hereby inform you that Lars Marcher will take up the position as CEO on 13 October 2008.

Up until the end of the year and also beyond, Kurt Erling Birk will be assisting with the completion of a number of projects and the handover in general.

*Ambu develops, produces and markets diagnostic and life-supporting devices to hospitals and rescue services. Ambu has five business areas: Respiratory Care, Cardiology, Neurology, Training and Immobilization. The most important business areas are Respiratory Care, Cardiology and Neurology, and the most important products in these areas are ventilation products for artificial respiration and single-use electrodes for ECG recordings and neurophysiological examinations. Ambu's products are sold worldwide. Exports account for 98% of sales, and sales are handled via Ambu's foreign subsidiaries or via distributors. Ambu has just over 1,200 employees, of whom approx. 300 work in Denmark and approx. 900 abroad.*
