October 17, 2012

JSC „Liepājas autobusu parks" and Kurzeme Planning Region have concluded new contract

On October 12 this year JSC "Liepājas autobusu parks" (LAP) has concluded a collaboration contract with the Kurzeme Planning Region as a result of purchase tender "About granting the rights to provide public transportation services by busses for the regional local route network within the Kurzeme Planning Region" about providing public transportation services for the next 3 years. JSC "Liepājas autobusu parks" will provide passenger transportation in Aizpute and Priekule as a part of the route network.

Contract for the amount of 3,467,000.00 LVL has been concluded for the period January 1, 2013 to December 31, 2015, JSC "Liepājas autobusu parks" being the only passenger transportation provider for the mentioned destinations. By the time contract will come into force the mentioned destinations are serviced by a number of passenger transportation companies, including JSC "Liepājas autobusu parks".
